A Classroom Reading Assessment Calendar

How might a classroom reading assessment calendar be designed to enable teachers to document which school-wide approved assessment tools are employed for the whole class and which for particular groups of children at different times during the year?

Would a classroom teacher need two calendars, the first for annual planning class-wide, the second for ongoing monitoring purposes, that is, assessment for learning with particular individuals or groups of children.

YEAR LEVEL _____ TEACHER _____

An annual classroom schedule

School-wide approved assessment tools	Jan	Feb	Mar	Apr	May	June	July	Aug	Sept	Oct	Nov	Dec
1.												
2.												
3.												

A schedule to monitor children's ongoing progress and achievement across the year

The classroom focus of assessment	Jan	Feb	Mar	Apr	May	June	July	Aug	Sept	Oct	Nov	Dec
